**URGENT – PHONE CALLS NEEDED

Last week, the Florida AFL-CIO and ULL working with Senator Alex Villalobos defeated legislation aimed at stopping union organizers at Florida's railroads. The bill's supporters are planning on using a procedural trick to revive the issue tomorrow.

Call these members and tell them that we need them to stay for the entire meeting, without leaving. If any leave, for any time the bill will pass! All have voted NO...now we need them to stay at the meeting for the entire time to reaffirm their vote!
